Dear Mr. Mero:

We have processed the Drug and Alcohol Testing Program Registration for Topgun Maintenance, LLC d/b/a Topgun Maintenance and a copy is enclosed. For future reference, please note the registration number is **CONN998E**.

The program registration will expire on **October 20, 2029**, and we recommend that you submit a registration renewal at least 30 days in advance of the expiration date.

As a contractor with an active FAA-mandated drug and alcohol testing program, you must implement your program no later than the date you start performing safety-sensitive functions for an employer (including a part 119 certificate holder with authority to operate under parts 121 and/or 135, an operator defined in 14 CFR § 91.147, or air traffic control facility not operated by the FAA or by or under contract to the U.S. Military) or another contractor. For more information and resources to implement and maintain your program, please visit our website at www.faa.gov/go/drugabatement and review our Advisory Circular ([AC 120-126](#)) available at https://www.faa.gov/regulations_policies/advisory_circulars/.

If you have any questions, please contact the FAA's Drug Abatement Division directly at (202) 267-8442 or drugabatement@faa.gov.
